## TAMING THE BEHAVIOUR MONSTER A.K.A POSITIVE BEHAVIOUR MANAGEMENT

Ian will discuss the three major strategies for managing disruptive behaviour with the primary focus being on preventing these misbehaviours from occurring.

He will explore ways in which school culture can be enhanced to promote a positive, consistent and predictable environment for students and adults alike, and his discussion of the "elephant in most staff rooms" is enlightening and thought provoking.

Ian's presentation, interspersed with humour and illustrative stories also examines ways to mitigate the negative emotional impact students' challenging behaviours can have on the adults who work with them.

### ABOUT THE SPEAKER

Ian was in Special Education for over 30 years, with the last 15 of those years spent as Principal of Redbank School, Westmead, NSW. Redbank is the only joint Department of Health and Department of Education facility in NSW for the treatment of children (preschool to Yr 6) and adolescents (Yrs 7 to 12) with emotional, psychiatric and / or behavioural disorders. He left the Department of Education 4 years ago to establish BehaveAbility, an education consultancy company which specialises in providing schools with practical, whole school and individual behaviour management strategies for both special education and mainstream students K -12.

Ian has been a mentor to aspiring and established principals and a trainer and coach in PBIS (Positive Behavioural Interventions and Supports). He has been trained in Positive Psychology in Schools by Martin Seligman at Geelong Grammar School and subsequently presented at Australia's inaugural Positive Psychology conference at Sydney University.

Ian is in high demand as a speaker and has spoken extensively across Australia (conferences, schools, universities, NSW parliament house) on practical behaviour management strategies and on ways to enhance teacher welfare in schools. He is a former advisory board member for the Adolescent Brain Website of the University of Toronto, Canada. He is still sane.

BehaveAbility is an endorsed provider of NESA and ACT TQI registered courses for the maintenance of accreditation at Proficient Teacher level. **This seminar counts as 5 ½ hours of NESA and 5 hours of ACT TQI registered professional development.**
